

# For Your Palate...

*Your Mallo's Wine List of over 300 fine selections is still growing in both vintage and selection. We tend to believe our wine selection to possess a personality all its own. The fact that wine enthusiasts often refer to fine wine as a living organism would seem to validate that point. We also believe every fine culinary experience deserves to be accompanied by a fine wine of your choice.*

*Our relentless pursuit of a quality vintage or product affords us the opportunity as well as the necessity of changing the composition of our wine selection. As each new arrival makes its way into our inventory, other popular labels and/or vintages might well then be depleted. In the event your selection or vintage is no longer available, we ask for your understanding of this most necessary process.*

*Should you have questions about the wines we have chosen to present, please seek the service of our Sommelier.*
