

Welcome to Yolie's

CHURRASCARIA HOUSE OF MEATS

Those of our guests who have had the pleasure of visiting beautiful Brazil will know that a Churrascaria (She-has-ca-reeah) compares favorably with the finest steak houses in the United States. The unique difference is the way the meat is prepared and served.

Strangers to Brazil and the method of preparing and cooking meat are in for a delightfully pleasant surprise. At once, you'll be made to feel right at home by the casual and informal atmosphere.

While enjoying your pre-luncheon or dinner cocktails, an assortment of appetizer meats will be served. Now comes our "Rodizio," a tantalizing variety of meats. Prepared by our famous Brazilian Chef, succulent meats will be sliced from the skewer onto your plate continuously by your waiter. The delicate flavor you will experience is achieved with our special marinade, the ingredients of which you can only guess.
